

PCanadian Paramedicine

2020-2021 Canadian Paramedicine Buyer's Guide

Canadian Paramedicine will once again be publishing its annual Buyer's Guide, our 30th annual edition, and we would like to invite you to be in it. A basic listing is free, so please take a moment to complete the attached forms and take advantage of this opportunity. There are also some special print and online advertising opportunities being offered along with the Buyer's Guide that will enhance your company's visibility and message. Please take a moment to review these offers as well.

The Canadian Paramedicine Buyer's Guide is a strong, effective purchasing tool, mailed to both frontline and management personnel in Canadian paramedicine. The magazine's 5,000 regular readers include the members of the Corporation des Paramedics du Québec, the Paramedic Services Chiefs of Saskatchewan, the Paramedic Association of Manitoba, the Ontario Paramedic Association, the Paramedic Association of Canada, the Paramedic Chiefs of Canada, all BC Emergency Health Service Stations, and the Prehospital Emergency Care Council of Ireland.

The Canadian Paramedicine Buyer's Guide is the only publication of its kind in Canada, and is retained as a desk copy directory of suppliers by Canadian paramedicine decision-makers to help them find companies to fill their purchasing needs. In addition to providing the only directory of suppliers to the Canadian paramedicine market, along with the products and services they provide, this special Buyer's Guide edition of Canadian Paramedicine hosts quality editorial related to these products and services, and the companies that provide them.

Canadian Paramedicine is a 40-year-old magazine, whose long record of service to the Canadian paramedicine community has made it a trusted and respected voice in Canadian paramedicine. Don't miss this opportunity to promote your company through Canadian Paramedicine's established and well recognized presence in the Canadian paramedicine marketplace.

The deadline for the 2020-2021 Buyer's Guide is November 30th, 2020. If you have questions about the advertising offers, please contact us.

2020-2021 Canadian Paramedicine Buyer's Guide

Listing of Categories

Your listing in the 2020-2021 Canadian Paramedicine Buyer's Guide can be placed in the categories listed on the following page. **Your first two listings are FREE—additional categories cost extra (see order form).**

To ensure our listing appears as you would like it to, please follow these simple steps.

1. Fill out the section for your Company Listing.
2. Select your FREE products & services categories—you receive two free.
3. Complete the sections on Page 3 and 4 to order additional items and sign the Insertion Authorization.
NOTE: The insertion Authorization must be signed even if you are not purchasing additional items and only want the two free listings and basic company description.
4. If purchasing additional items, please be sure to fill out your payment information
5. **Final deadline for returning forms and materials is November 30, 2020.**

Company Index

Every company in the 2020-2021 Canadian Paramedicine Buyer's Guide will be listed alphabetically in this index along with the category numbers of their Products & Services listings.
